

CATTON GROVE PRIMARY SCHOOL
Striving for Excellence

In light of the announcement yesterday evening, I would, again like to reassure you that, despite the messages coming through from the government, our decision-making will still be based on what is best for the Catton Grove community.

We will be looking carefully at the advice and guidance offered from a range of different sources in order to inform any decisions we make.

We will, of course, communicate with you what we are thinking as early as we can.

Once again, we know that the last 6 weeks have been challenging but we have been so impressed with what your children have achieved with your support and guidance.

As is always the case, you are in control of the situation with regards to your children – we are here to support you as best we can.

Under these strange circumstances, you must make the choice, when it comes, as to the relative risk of sending your child(ren) into school when the time comes.

We will support your decision whatever that may be.

Take care and keep safe – we are here to help as much as we can.
