

Year 2 News

Keep checking your child's ClassDojo story for key information, dates for your diary and reminders.

Mrs Horth, Miss Mayhew, Miss Mayes, Miss King, Mrs Royal, Mrs Hall, Mrs Norman, Mrs Roxby, Mrs Stapleton and Miss Barker

Progress Meetings

Information will be sent to you by your class teacher of how to book your Zoom Progress Meeting by the end of this week. Slots will be allocated on a first come first served basis.

Online and home learning support

As Epic Reading has been so popular, we will continue to ask your children to read or listen to stories using this website for as long as we can. Please check your Dojo messages as we will update their book levels regularly. Some of our children have been using the 'Read to me' option for bedtime stories too.

Please encourage your children to learn their times tables too so we can present their reward badges!

ClassDojo

Due to the current situation, we can't operate our usual open door policy. We are however available for any queries via ClassDojo as we are still limiting contact.

Please contact us or  and expect a reply  on Monday to Friday 10am - 4pm

Reading

Please read with your child as often as you can - please aim for 15 minutes at least 3 times a week and record this on in their Reading Record. You can make your child's reading experience more interesting and rewarding by using any of these ideas for shared reading:

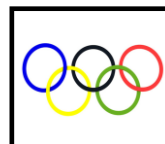

Use the pictures in the book to tell you their own story.

Take it in turns to read a page of their book - your turn my turn.

'Fastest Finger' to find a key word chosen by you or your child.

We have reading incentives in Year 2 to encourage the children to engage with reading as often as possible. Children can win stickers and certificates by reading lots at

Olympics

Summer 1
2021

Library Books

Library happens once a week and children will choose a book to take home. Please ensure books are kept safe as lost books need to be paid for.

As a studier of Religion...

We will be focussing on Islam and Prayer at home. We will learn to explain what commitment means to

As a Mathematician....

As a mathematician we will consolidating our understanding of addition, subtraction, multiplication and division by exploring it in a range of contexts. We will be continuing to develop our understanding of multiplication (2, 5 and 10x tables) through questions, games and activities. We will further explore 2D and 3D shapes and their properties.

As a musician...

We will be focusing on composition and reading music. We will be working towards creating our own songs.

As a positive member of society...

The children will have 'GR8 AS U R' and circle time sessions to promote a growth mindset and resilience. We will be supporting this with stories and activities. In addition to this Class Council will continue. We will also spend time discussing bereavement and how we may feel and how we can support ourselves and others.

English

In English we will continue to develop our sentence structure and word choices. We will be writing a report using subheadings and researching information to include within them about a national event.

We will look in detail at describing characters and settings whilst introducing speech to support our story writing.

In Phonics we will continue to revise our sounds and High Frequency and Tricky words and also revise sentence types and punctuation.

In reading we will continue to develop our comprehension skills.

As an artist...

We will explore the media of clay and continue to learn new techniques to

As a Scientist...

We will be learning about animals including humans. We will

As a historian....

We will be finding out about the history of the Olympics

PE

We will be learning about athletics. We will be learning and practicing our throwing, jumping and running.

As a researcher...

We will be researching Olympic history, events and
